**HALO**

R I S E A B O V E

WE MAY NOT  
HAVE STARTED  
THE FIRE,  
BUT WE'RE  
TURNING UP  
THE HEAT.

Halo Products Group started with the belief that if something could be done in a better way, then it was worth doing differently, even if it means doing it yourself.

### **High-Quality Products**

Our pizza oven, pellet grills, and griddles are engineered with the consumer in mind, because we believe you deserve a high-quality product that works to meet you where you are. Whether that's at a campground, a tailgate, a patio at your condo, or in a spacious outdoor kitchen, the Halo Team believes you deserve a cooking experience of the highest quality.

### **Industry Leading Warranties**

We believe that when you pay for something, it should do what it's supposed to do, and we won't leave you hanging if your Halo Products Group equipment doesn't. It's our job to give you the resources to cook, gather, and create memories; and our warranties prove that we believe in the quality of our products, and that we stand by them.

# COUNTERTOP COLLECTION
